Description

Finocchietto Liqueur is a wild fennel liqueur made with the wild fennel branches from the Amalfi Coast. Finocchietto is a natural liqueur prepared with any kind of preservatives, additives or food dyes. Any sediment may occur is because of the essential oils naturally present in the fennel branches. Its natural clear green color is pure wild fennel.

Curiosity

Serve Russo Finocchietto at room temperature or cold as a digestive drink, or watered down as an aperitif. On the rocks, it is an unbeatable digestive.. It is also pleasant with the addition of tonic water. Excellent with champagne or sparkling wine "Prosecco" for preparing long-drinks. Very pleasant on ice-creams, fruit salad or strawberries. Keep the bottle in the freezer.
