Description

Limoncello Liqueur is a lemon liqueur made with the best lemons from the Amalfi Coast. Limoncello is a natural liqueur prepared with any kind of preservatives, additives or food dyes. Any sediment may occur because of the essential oils naturally present in the lemon peels. Its natural clear yellow color is pure lemon.

Curiosity

Serve Limoncello at room temperature or cold as a digestive drink, or watered down as an aperitif. On the rocks, it is an unbeatable digestive. It is also pleasant with the addition of tonic water. Excellent with champagne or sparkling wine "Prosecco" for preparing long-drinks. Very pleasant on ice-creams, fruit salad or strawberries. Keep the bottle in the freezer.
